### **Cicero Elementary Volunteers Needed**

Our elementary school could use your help. If you are able to volunteer a little time please let them know. Duties include answering the phone, making copies, listening to children read, and supervising children in the library. Any hours would be appreciated. Please contact Dawn Moore at 765-432-5240 if you are able to assist.

### **Something To Ponder . . .**

Daniel and his associates had been trained by their parents to habits of strict temperance. They had been taught that God would hold them accountable for their capabilities, and that they must never dwarf or enfeeble their powers. This education was to Daniel and his companions the means of their preservation amidst the demoralizing influences of the court of Babylon. Strong were the temptations surrounding them in that corrupt and luxurious court, but they remained uncontaminated. No power, no influence, could sway them from the principles they had learned in early life by a study of the word and works of God.
